### First Aid Training EYFS & KS1

This half term, all children in the foundation stage and key stage 1 will receive first aid training from Minifirst Aid. These valuable training sessions are not only an important part of your child's education but also an essential life skill.

### OPEN CLASSROOMS

In the spring term we held our first open classroom session. We are inviting parents into their child's classrooms on Monday 19<sup>th</sup> June at 3:15-4pm. This will be an opportunity for you to look in your child's books, look at the resources in the classroom and see the current learning journeys and learning walls. Class teachers will also be around should you wish to discuss any of the current topics and learning journeys. Please can I take this opportunity to remind you that should you wish to talk to your child's class teacher about a specific or individual matter, please contact the school office to make an appointment in the usual way.

There are currently only a small number of tickets that have been sold and we hope to significantly increase the numbers of parents attending.

We are appealing for donations from families/businesses for a possible auction/raffle! Please contact Mrs Dibdin, Mrs Boyes, Mrs Duggan or Mrs Gray if you have any donations. The auction/raffle will be arranged for the Summer Fair!
