## **Year 6**

I would like to thank the Year 6 class for their total commitment, perseverance and hard work during the SAT's week. They all arrived at school early for breakfast and were an absolute credit throughout the week. We were all very proud of their attitude last week and their attendance at booster classes since last September.

## **School Uniform**

Last term the Year 5 class invited me into the class as part of their persuasive writing lesson. The topic was on changing the school uniform and how a new colour for the jumper would enhance the reputation of the school. I have discussed a change of colour with the school governors and they too were impressed with the Year 5 pupils' point of view. We would keep the shirt colour of blue and the school tie and just change the colour of the jumper/cardigan with the school logo. Ideas on colour at the moment are blue (different shades) and red. I would then stagger the changeover to coincide with the next time a current jumper was changed. I will send a questionnaire out to parents to seek your views and let you know the results. One of the pupils expressed a view that the duller colour in their vibrant classroom was the colour of their jumpers!

## **Friends of St Joseph's**

I would like to thank all the volunteers who helped to make the school disco last week such a successful event. The monies raised will be so useful in funding projects that will benefit every child. A reminder also that FOSJ are funding the Alive and Kicking workshops that your children are enjoying taking part in at school. Each workshop is about £600 and we will have every class in school including FS1 taking part in these activities. The school is very grateful for the support, commitment and hard work of all members of the FOSJ.
