General Data Protection Regulation GDPR
Request for consent

Dear Parents/Carers,

Following the requirements of the General Data Protection Regulation we are writing to families about the use of photographs and videos which might record images of your child.

The school wishes to use photographs for the reasons listed below, but we need your consent (agreement) for this. We are particularly keen that we gain consent for the first purpose listed as we use photographs carefully to support the school's health and safety procedures. This helps us to ensure the best possible standards of pupil welfare.

Your consent will last as long as your child is a pupil at this school, or until you inform us that you want to change your consent.

We will write to you before your child leaves the school should we want to keep or continue to use any photographs of your child after your child leaves the school.

Please can we remind parents that they should follow any guidance at school events about taking photographs or videos? We all need to work together to respect each other's privacy wishes.
