

Statement of the Week

I know how to show that I am sorry.

This week we are reminded of the time when Jesus sat down with his disciples and ate together before he died. This week, we are asked to try and make one family meal time extra special.

We have been given two complimentary tickets for the 2018 cricket season, with selected games being played at the Emerald Headingley Stadium. We would like to thank the Yorkshire Cricket Foundation for this donation. Mrs Hemming, our PE coordinator has organised for a raffle to be drawn for these tickets during Golden Book Assembly on Thursday 21st June. To gain a place in the draw, PE coaches are identifying children in PE sessions for the following reasons: improving their own attitude or ability, demonstrating good skills in PE, demonstrating good sportsmanship in PE.

CAFOD – Share the Journey

Last year Deacon David and Maggie from CAFOD came into school to work with some of our year 5 and 6 pupils and delivered the 'Power to Be' workshop. The aim of the campaign was to encourage the World Bank to put funding into renewable energy for developing countries. Today, we have

received an email to say that they are pleased to announce that the efforts from this campaign have allowed for their voices to be heard and the world bank is changing its policy. The World Bank has announced that it will no longer finance oil and gas exploration and production after 2019. Congratulations to all who took part in the workshop.

CAFOD Live Simply Award

As you will be aware, we are working towards achieving the CAFOD, Live Simply Award. Each class are currently working on their own pledges to the planet – to try and live more simply. Please support your child with their homework on this.

Y5 Residential

Yesterday our year 5 children returned from their residential trip to The Emmaus Youth Village. The children had a great time and were all very excited to share all of the fun things they had been doing!
