Statement of the Week

I notice that we are the same and we are different.

This Week's Reading

In this week's reading we hear the story of when Jesus healed Jarius. We remember those people who are sick in our prayers.

End of Year Mass

The end of year mass in school will be held on Friday 13th July at 10am. Apologies in advance to parents who may have already made arrangements for the 20th July. Unfortunately, Canon is in Katangi and there is no alternative arrangement. Thank you for your understanding with this matter.

No Golden Book

Due to preparations in school on Thursday for the summer fair, there will be no golden book this week. It will be held as normal next week.

Attendance

St Joseph's School Attendance Last Week
25/6/2018-29/6/2018

Well done y3 on your fantastic attendance!

Shelter During Sports Day

If any of our families are able and willing to lend any form of shelter e.g. a gazebo for use during sports day to provide shelter to the children, we would be very grateful. Please drop this in at the ICT suite, with a name label by Friday morning if you are able to help with this. Thank you in advance.

Hot Weather!

We are currently experiencing some lovely sunshine and hot weather! Please can I remind parents to **apply high factor sun cream** to their child in the morning

before school. Please also ensure your child has a **water bottle in school**. We are also asking that ALL children **wear sun hats** whilst it is so hot! We are encouraging our children **to seek shade** during break and lunchtimes and the Y3 classroom is open for them to do this. We are reminding them to drink plenty of water and wear their sun hats.

River Safety

We have received information from the school PCSO reminding us of the dangers of entering rivers. We have shared this information with our FS1 & KS1 children today and will share a similar presentation with our KS2 children on Friday. An information leaflet has been emailed to parents/carers and has also been uploaded to the safeguarding section of the school website.

School Reports

Nursery reports have gone out to parents today. All other end of year reports will go out on Monday 9th July. Y6 SATs results are released to schools on the 10th July and will be sent out to Y6 parents separately on 11th July.

Book Fair

The book fair has arrived in school. Parents and children can access the book fair on Thursday 5th July afterschool in the KS1 shared area. It will also be available throughout the summer fair on the KS1 playground. Next Monday, children will have the chance to browse the bookfair and further purchases can be made afterschool on that day. Please come along and have a look.

Transition Sessions

Throughout school, transition sessions are currently underway. We will have our whole school transition morning in school tomorrow (Thursday 5th July). There will be other transition activities throughout the summer term.

Sports Day T Shirt Colours

As in previous years, the children will be wearing their coloured t shirts on sports day. Your child should wear the colour

that represents the house to which they belong.

Fountains: Blue **Bolton:** Red
Kirkstall: GREEN **Whitby:** Yellow

SJF Y7 National Girls Football

We are excited to welcome back some of our past pupils who were involved in the SJF Y7 girls' football National Finals. The girls have kindly offered to bring the cup into school on Friday and share this with the children.

Y6 Residential

Well done to our Y6 pupils who not only had a fantastic time on their residential to Robin Wood last week, but who represented the school fantastically. We are all very proud of them!

Devil's Toenail Bike Trail

Thank you to everyone who has returned their logo competition design for the Bike Trail that is currently under construction in Wetherby! The link attached in the email with this week's newsletter allows you to click the link and follow the progress so far! There are also opportunities for children to help with some of the digging! Last weekend was a very successful turn out. This week's digs are Wednesday 7:00-8:30pm and Saturday 10:00-4:00pm. More details are attached on a separate flyer!
