Please return this questionnaire form to the school office by Friday 8th November 2019

Parental Questionnaire Academic Year _____ Date _____

Your views about our school are important to us. This year we are using the same questionnaire format as Ofsted as well as some questions of our own. We have added a comments column after each question and would encourage you to tell us more about your answer.

We always welcome feedback from parents/carers as this enables us to make any necessary changes to school, the environment or simply keep doing all the things you consider are going well and you are pleased with. I would urge that if you strongly disagree with anything that you make an appointment to come and see me as this would obviously be an area that would need addressing individually. It would also be good to hear your comments about what is working well.

Please tick your child's year group	Nursery FS1	Reception FS2	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
