connection?**

WORKING TOWARDS
INVESTORS IN PUPILS

What does **Investors in Pupils** mean?

People who put lots of energy and effort into making something better.

You!

What is “Investors in Pupils” about?

It is a special certificate that shows that the adults and children at a school are all **Investors**.

*working smoothly together
like cogs in a machine
to make our school better*

*learning that everyone at our
school has a role to play*

*sharing our goals
and targets together*

*learning that everyone in our
school is constantly learning*

*celebrating eachother's successes
and supporting eachother*

'The 5 Areas'

- **Induction**

– this word is to do with how we make visitors or new people feel welcome in our classrooms and school. During this week you will all be working on creating your own class “**Induction Book**” to tell any visitor to school about you and your class.

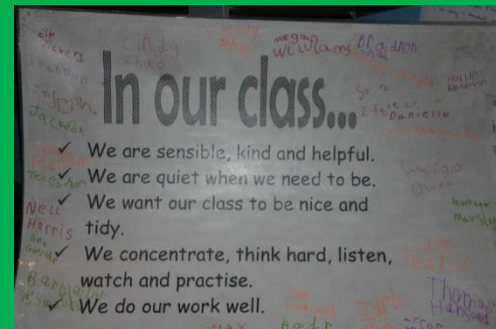

'The 5 Areas'

Behaviour

– every class will agree a set of rules or a “**Mission Statement.**”

This will set out how you want your class to be.

Everyone must try hard to make their class the best it can be.

'The 5 Areas'

Attendance

– this word is to do with coming to school and coming on time. It is also about being in the right place at the right time in school, such as coming in after playtimes.

'The 5 Areas'

Classroom Management

– this is to do with keeping your learning space clean and tidy. You will learn about resources and how to look after them.

You will all agree on goals to try harder with something.

'The 5 Areas'

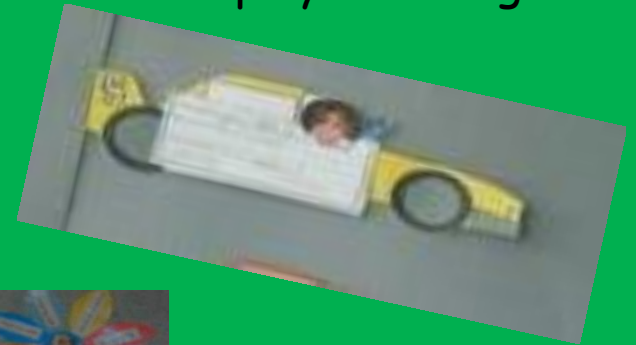

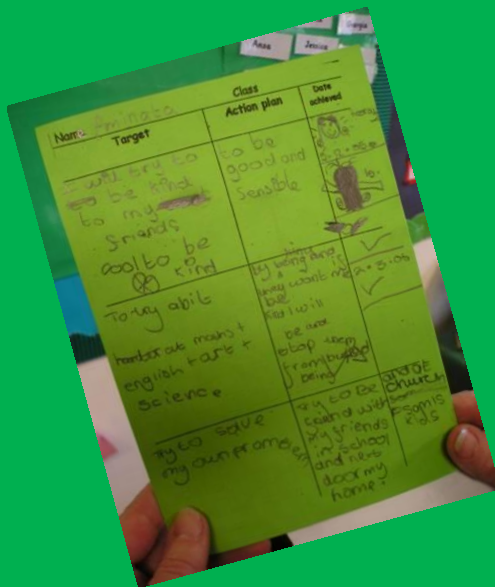

Learning

– this is to do with thinking about your learning and how you can improve as an individual or as a class.

You will also find out about how the adults in school learn!

Targets

- Along with your teacher you will choose a suitable target in one of the 5 areas to work towards. This will be something that you want to improve.
- You will also choose a class target to work towards and choose the class reward when the target is achieved!
- Every class will create their own class noticeboard that will display the targets and how you are progressing.
