

Year 6 Maths Show and Share Analysis of Parent Questionnaires (February, 2020)

1. Did you find the Show and Share session useful?

100% of parents said yes

2. What did you like about the session?

- Very engaging – learning difficult maths in a creative and fun way. Great that they are running around and going outside too.
- It was highly interactive, very enjoyable, fun, active and really made the children think – a fun way to practise arithmetic.
- The murder mystery was so much fun!
- The lesson was very varied, active, interesting and challenging. It was visual in aspects and colourful.
- I like the maths challenge.
- I liked how the children worked together with their parents.
- It was fun and energetic.
- It was a creative way to learn maths – it was fun and exciting!
- The lesson was interactive combining exercise with maths. I really enjoyed the theme too.
- I learnt different maths terms myself.
- It was very engaging and everyone was involved. It brought learning to life!
- It was fantastic to challenge thinking.

3. Has the Show and Share session given you ideas about how to support your child at home?

100% of parents said yes

- Yes, make it fun and play.
- It would be nice to do activities like this at home too.
- Make maths more fun at home.
- Definitely.
- Yes, how to make difficult topics interesting and fun.
- Yes, there's more to maths than sitting at a desk.
- Do more with them at home to support them more.
- Yes, it's improved my knowledge of things like prime numbers.

4. What can we do differently next time to improve the session?

- Nothing (repeated many times)
- No areas of improvement needed – highly enjoyable!
- None required
- It was the best show and share and I have 3 kids!
- It was really well done and I really enjoyed it

5. Any other comments:

- I really enjoyed it.
- Very enjoyable.
- Thanks
- Very impressed
- It was very nice to see my child in class. He was very happy to complete it. Thank you very much.

Actions in response: Class teacher will send some Murder Mystery activities home over half term as homework instead of online maths. Class teacher will also send more maths puzzles home.

Year 6 **Collect Worship** Show and Share Analysis of Parent Questionnaires (February 2020)

1. Did you enjoy the Collective Worship?

- 100% of parents said yes
- Yes enjoyed it very much.
- Yes, it was nice to share the time with my child.
- Something new for me but I mostly enjoyed it.
- Yes, very calming start to the day.

2. What did you like about the Collective Worship?

- Singing
- The song was lovely (What a Beautiful Name it is)
- The whole class was involved
- Good combination of time for reflection, Gospel and discussion.
- Good worship music and children fully taking part.
- The children had different jobs.
- It was visual.
- It included time for reflection.
- It was moving – supports decision making.
- How all the children sat and listened.
- It was a relaxing and calming start to the day.
- Time to reflect and think.
- Everyone praying together.
- Very enjoyable: calming, reflective environment.
- A great way to start the session.

3. Is there any way that we could have made the Collective Worship even better?

13/14 parents said no.

- No additional thoughts – very enjoyable.
- No (repeated many times)
- Include the children more (this parent turned up late and missed the children leading various elements of the worship like dressing the altar, procession of the Bible, morning prayer, etc.).

4. Any other comments?

I really enjoyed it.
