

St Joseph's Catholic Primary School: Continuation of Learning at Home

Instructions for use of Showbie to evidence Learning at Home

Showbie provides our pupils the opportunity to receive teacher feedback from any tasks that they have completed at home. Please follow these instructions below to help your child upload their work to Showbie. This could be word documents, PowerPoints, photographs, videos etc. Showbie can be accessed on a laptop/computer/iPad and smartphone.

In the case of schools being closed for a prolonged period of time, the deadline for any work to be uploaded on to Showbie to receive teacher feedback is the Thursday of the second week before the homework grid is refreshed on the Friday of the second week.

Step 1: Log in

Sign in to Showbie - My Showbie x +
