Page 22

E: (Q1) Why is Willie apprehensive about Sammy sitting at his feet? He is frightened of the dog. His mum said dogs were horrible animals (in chapter one).

Page 23

D: (Q7) What is meant by the word ‘romp’ in the sentence, ‘needs a good romp in the fields’? A spell of rough energetic play.

S: (Q14) What is the author comparing Willie to when he says ‘...wormed his way to the end of the armchair and slid on to the floor’? Why does the author do this? A worm or snake. This is to describe the character’s movements in a way the reader can recognise.

M: (Q23) Why do you think that Willie was surprised that he was going to have a room of his own? What does this suggest about Willie’s past? He is not used to having his own room. He most likely shared a room in his past, and felt it was a privilege to have his own space, even if it was an attic.

S: (Q15) What is meant by the word ‘ecstatically’? Overwhelming happiness or joy.

Page 24

M: (Q24) Willie offers to carry Tom’s bag on their walk. What evidence is there in the text to show that Willie is doing this as a nice gesture towards Tom? In the paragraph above, it says that Willie thought Tom was a kind man. That paragraph also reminds the reader that Tom is old, with grey hair, so Willie may have thought it was the done thing to help an elderly man.

E: (Q2) Why will Tom show Willie some pictures of thatched houses when they get home? Willie has never seen thatched houses before and asked about them when he saw them up the road.

Page 25

S: (Q16) Why and how does Tom think Mrs Fletcher can help him? She can knit Willie a jersey and may have spares from her own children. She will ask other villagers if they have some small boots for Willie. Willie arrived with little suitable clothing.

M: (Q25) Knowing that Tom is asking Mrs Fletcher for clothing, why do you think he sent Willie off with the dog whilst he chatted? He wanted the conversation to be private. Willie may have gotten embarrassed if he knew Tom was asking to borrow clothes for him.
D: (Q8) What is Mrs Fletcher talking about in the paragraph that starts 'I ent got room meself...'? She is talking about the other villagers and how many evacuees were placed with them.

S: (Q17) What words could be used to describe Mrs Fletcher, use the text for evidence. A gossip/chatterbox. She instantly ran to the next cottage to tell Madge that Tom has an evacuee to look after. She also tried telling Tom all about other people’s business, which Tom did not want to know.

Page 26
D: (Q9) Why does Tom point out things around them to Willie? For example, the bird and the cow? Willie has implied that he has not been in the country before. He is showing interest and surprise about things around him. Tom is trying to educate Willie on how to be around nature.

E: (Q3) Why does Willie watch the milking so intently? He has never seen a cow before and may not know milk comes from cows.

Page 27
E: (Q4) What is the name of the six year old girl who lives at the farm? Lucy

S: (Q18) What does Tom mean when he mentions that there is not much difference in size to Lucy and Willie? Why has he pointed this out to Roe? Willie is older than Lucy, yet they are a similar size. He is implying that city children aren’t growing as well as those who live in the country.

Page 28
D: (Q10) Why are the villagers putting black material on their windows? Everyone has been instructed to do so, so that enemy planes can’t see the lights inside the homes and bomb them. They are blackouts.

E: (Q5) Why is the chapter called ‘Little Weirwold’? The village is called Little Weirwold and this chapter is about Willie meeting people and getting to know the village on a walk with Tom and Sammy.

Page 29
D: (Q11) What clues in the text tell you that this book was set in the past? Blackout curtains, oil lamp and gas lamp.

S: (Q19) What is unusual about the brown paper bag containing Willie’s things? It has a letter to Tom, and has very few things in it. There are no clothes or night clothes. We found out earlier through Mrs Fletcher that he should have arrived with clothes.

Page 30
S: (Q20) Why does Willie flinch when Tom is helping him to undress? Willie is used to being beaten, and his instinct is to flinch.
M: (Q26) What shocks you about the letter from Willie’s mother? It sounds like she is not fond of Willie and won’t come to visit him in the country. The clothes he is wearing should last all winter, although we already know that when wet, they will not keep Willie warm. Willie’s mother also thinks that Willie is naughty and has included a belt to be used as a whip. She expects Tom to punish him like she does.

Page 31
S: (Q21) How does the author make you sympathetic towards Willie? By revealing information slowly to the reader to show that Willie was beaten and not looked after at home. Also by Willie’s reactions to things whilst Tom is being kind to Willie. The author makes the reader think that Willie has had a bad childhood so far and happy that Willie is now living with Tom.

Page 32
E: (Q6) How do Willie’s actions show that he is hungry? He ate the food ‘feverishly’ and tried to eat a hot potato without using cutlery. The author describes it as a frenzy.

D: (Q12) Why does the author use mostly longer sentences punctuated with commas? It is easy to read with longer flowing sentences.

Page 33
M: (Q27) How does the author encourage the reader to imagine a calm scene in paragraph two? It describes everything around Willie to be calm as the gas lamp ‘gently’ hissed, and the fire was described as ‘stirred softly’ and the rain became lighter outside.

Page 34
M: (Q28) When Willie bursts into tears, why do you think he feels the need to tell Tom that he is not ungrateful? He has been taught never to be ungrateful for anything. He also does not want to be punished for being ungrateful. He is happy to be with Tom.

Page 36
M: (Q29) What importance is it that Tom has asked Willie to call him Tom rather than Mister? He is growing fond of Willie. It is friendlier than ‘Mister’.

S: (Q22) How is this chapter similar or different to chapter one? It is different because we get to know more about the setting and the characters. We have been introduced to more characters in this chapter. Chapter one was mostly an introduction to the story.

D: (Q13) Why is the book called ‘Goodnight Mister Tom’? That is what Willie said when he fell asleep on the first night at Tom’s home.

• Give each pair a copy of the book to read individually or as a whole class.

• The teacher should use the teacher version. It tells you where to pause after each page and provides questions for you to ask. The colours refer to our levels so that you can direct specific questions at specific students (their version does not have these colours or show them which is mastery, etc.). The questions are also numbered in the order they appear on the comprehension sheet.

  Beginner – (Red)
  Easy – (Blue)
  Tricky – (Orange)
  Expert – (Green)

• The children can record their answers to the questions at the end of the shared read/discussion or in a different session by using the comprehension sheet. The questions have been re-grouped into abilities so that you can assign sections to specific children.
