

Mini Vinnies Easter Competition 2020

I don't know about you, but we cannot wait to celebrate Christ's resurrection from the dead. This will be a very difficult time for everyone. We want to help you keep your spirits up and show everyone that we can still celebrate this amazing time of year. As such, we are holding another competition. This time we are opening it up a little and asking Mini Vinnies to come up with their best Easter display. This is a space in your window, or house, that you can decorate as brightly as possible to celebrate Jesus. Lets spread some Easter joy to our streets!

The Theme :

Jesus Christ

The theme is quite simply Jesus, as He should be our focus during this time. Using as much handmade material as possible, create a window or home display that shows the true glory of Jesus as He rises from the tomb. We will just require a picture of your display with and without you in it.

Design Specifications

There are no specific design requirements. We want to leave as much as possible to your creativity. The display can be as big or small as you like and can contain whatever you wish. However, we will be especially looking out for displays that include lots of handmade materials and creativity. Please remember to send us two photos of your display, one with you in it and the other without. Please also try and send as higher quality image as you can.
