

Summer Homework Grid – Y6

Please find this term's optional homework grid. These are optional tasks for your child to complete at home throughout the term. Please encourage your child to bring in any homework tasks they complete.

Activity 1

Generate a 4 digit number by rolling a dice 4 times. Then roll again to generate a 2 digit number. Use a written method to calculate the product of your numbers.

Use a calculator to check your answers.

$$\begin{array}{r} 1. \quad 1256 \\ \times \quad 14 \\ \hline \end{array}$$

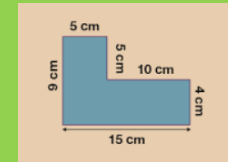

Activity 2

Research Beatlemania and write a diary as if you are a Beatles fan and you've just seen them at a gig for the first time!

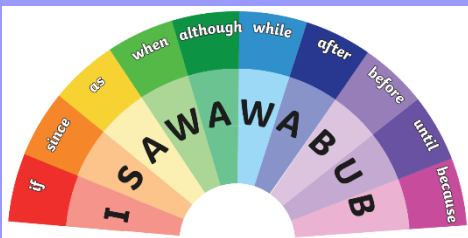

Activity 3

Draw 10 compound shapes. Work out the perimeter and area of each compound shape. Watch the tutorial first to help you!

Activity 4

Write a sentence starting with each subordinating conjunction. Use your current reading book as a stimulus for your writing

Activity 5

Practise naming and locating all the countries in North and South America.

Activity 6

Uses the art tutorials to practise drawing different features of a face.
