

Homework

Spring 2 Homework Grid Year 2

These are optional homework tasks and are linked to our theme this half term. They will help you with your curriculum learning this half term.

Science

Choose your own animal and research its life cycle. Get creative and decide how you can represent the life cycle.

Speaking and listening

Create a picture map about what you have found out about Mary Seacole. Talk about each picture you land on and share your fact.

English

Pretend that you are either Florence Nightingale or Mary Seacole and write a diary entry to describe your time helping the soldiers in the Crimean war.

What did you see? Hear?
What did you do to help them?

D&T

Make a 3D model of Florence Nightingale's ward in a Scutari hospital. You could use a shoebox or cardboard box for your model.

Design an improved modern-day lamp for Florence to use. This could include fairy lights or a torch.

Computing

Practise your typing skills and type up a list or set of instructions for George's Marvellous Medicine. What did he include in grandma's medicine?

History

Research the Florence Nightingale Museum in London.

Find out more about Mary Seacole from the museum of London.
