## Autumn 1 Homework Grid Year 2

These are optional homework tasks and are linked to our theme this half term. They will help you with your curriculum learning this half term.

### Science

Go on a nature walk outside. Which common plants and trees can you identify? Why not collect a seed or bulb and try and grow it. What conditions do you think it will need to grow into a healthy plant?

### Maths

Use or make your own 100 square. Practise playing fastest finger first to locate a number as fast as you can. Choose a starting number and say what is 1 more/less than. What patterns can you see?

### English

Make your own nonfiction book to include features such as a contents page, captions, subheadings. Write a glossary for the back of your book to explain some tricky vocabulary.

### Art

Why not put your portraiture skills to use and sketch a family member or pet! Think about choices of lines that could show detail and texture.

### Computing

Use power point or keynote to create a poster or fact file all about London landmarks.

### Geography

Look outside and make a list of the human and physical features that you can see around you. Construct a map to show some of your key features.
